

FiberScanFIX™ On-Line Microwave Consistency Meter

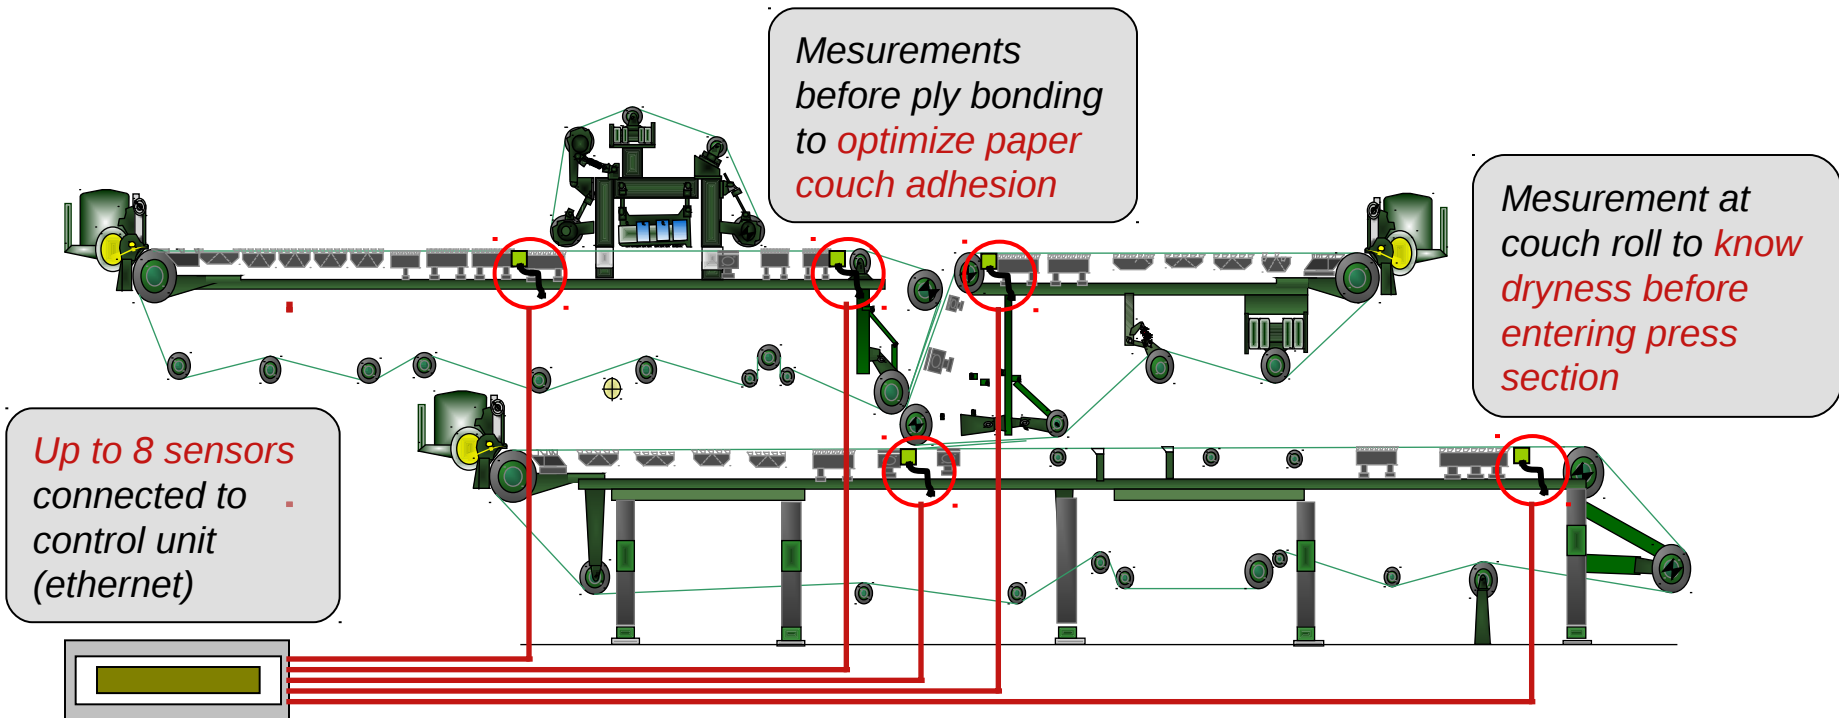

Measurements before ply bonding to *optimize paper couch adhesion*

Measurement at couch roll to *know dryness before entering press section*

Up to 8 sensors, connected to control unit (ethernet)

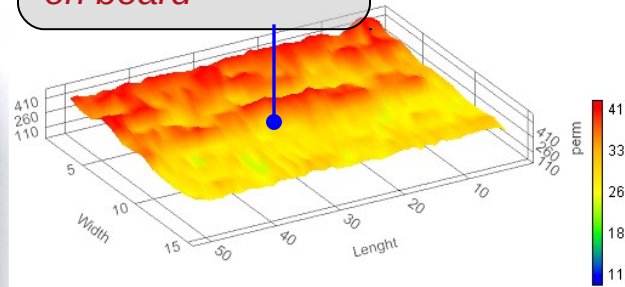

FiberScanFIX™ On-Line Microwave Consistency Meter

PermFlowDUO™ Portable Felt Moisture & Perm Meter

3D Felt permeability & moisture mapping on board

Felt Clogging Analysis

FFT Analysis

PermFlowDUOFIX™ On-Line Felt Moisture & Perm Meter
